

About Infinity Asset Management

Infinity Asset Management (Infinity) is the investment management business of Viridian Financial Group. Infinity is responsible for the actively managed (Separately Managed Account) investment portfolios that include direct (long only) Australian equity - large cap & small/mid cap - portfolios, diversified multi sector investment portfolios and individual sector portfolios as well as the provision of the 'model' portfolios within Viridian Portfolio Management. Infinity also provides financial market and asset allocation research, as well as company specific and unlisted managed funds research within our business.

Our Investment Philosophy

Our investment philosophy is built upon the premise that portfolio construction built on robust asset allocation, true investment insights and the understanding and management of risk will drive superior investment returns over time to meet the objectives of our portfolios.

Our Investment Process

Our investment process - built around six distinct segments:

Investment Objective

To deliver outperformance of the Consumer Price Index + 5.0% p.a. over a rolling three-year period.

Designed for Investors who

Seek exposure to a diversified mix of income & growth assets with capital appreciation over the longer term and can tolerate a moderate level of investment risk that includes the potential for negative returns in any single year.
